Death List Small in Comparison With Number Caught Under Falling Timbers.

INVESTIGATION TO BE MADE

Commission to Be Appointed to Inquire Into Case of Disaster.

(By Associated Press.) ALBANY, N. Y., August 0 .- The collapse of the John G. Meyers department store yesterday, which resulted in the death of thirteen persons, and the prob-able fatal injury of two others, will be investigated by a special commission. This afternoon, when the searchers announced their belief that no more bodies were in the ruins, Mayor Gaus called a meeting of the heads of city depart-ments and decided to appoint three non-residents to inquire into the cause of the disaster and report where to place

the blame.
The discovery that the thirteen bodies already taken out will account probably for all the victims of the accident is a surprise to Albanians, who, until this afternoon expected that at least a dozen more mangled forms were buried beneath

more mangled forms were buried beneath the ruins.

The small number of deaths, small when it is considered that nearly one hundred persons went down with the wreck, is accounted for by the fact that scarcely any of the brick walls fell, and the debris consisted mostly of wooden timbers and pinster, with only an occasional iron sirder. One of three iron beams crushed the life out of four young girls.

(Special to The Times-Dispatch.) SPENCER, N. C., August 9,-While at empting to enter the residence of Mr. B . ARREST OF REGISTRAR

Species of Political Persecution Long in Vogue

There.

(Special to The Times-Dispatch.)
GATE CITY, VA., August 9.—Saturday
night at 10 o'clock R. L. Pierson, John H.
Catron and Walter Collins went to the
home of Mr. William H. Bosilc, registrar
at Fairview precinct, Scott county, and
placed him under arrest on a charge of
lilegally registering an illiterally voter.
They refused to let him get some one placed him under arrest on a charge of illegally registering an illieraty voter. They refused to let him got come one to stay with his wife and immeditation marched him away to where Magistrate John S. Rhoton was in waiting. They refused to let him stop at T. M. Darnell's, where the registration book was kept in a fireproof safe, and denied and all privileges of proparing for a trial. The alleged illiterate voter, will Carpenter, stated that he applied to Mr. Bostle for registration last spring, but did not know that his name was placed upon the book. Upon this testimony, and refusing Bostle the privilege of producing the book, Rhoton fined Bostle 500 and sentenced him to three months in Jail. Plerson and Collins bought Bostle right on to Gate City, arriving early yesterday mornins. He employed counsel and was granted an appeal and was released on ball by 'Squire G. W. Mann. Mr. Bostle is past 50 years of age and has an excellent reputation. The affair heartily condemned. It is one of a services of political persecutions practiced in that community since the November eletion. 1903, when, it will be remembered, John H. Catron killed Election Judges Ausburn and Nickels.

Catron is seeking the Republican 10-74 innation for county clerk and seems to be trying to make himself a hero in the minds of his party. It is shown that many Republicans condemn this unprecedented outrage.
